About Us

Boroughs is a progressive medium sized firm of Chartered Accountants, situated in the Sydney CBD, with a substantial corporate, business and high net worth client base.

Through our international association with Rawlinson & Hunter in the United Kingdom, we have available a worldwide network providing support, resources and opportunities.

We are dedicated to providing professional services to a wide variety of local and international clients, specialising in:

- Accounting & Taxation
- Business Advisory
- Audit & Assurance
- Corporate Advisory
- High Net Worth Families
- Superannuation

Boroughs Cadetships

Our Cadetship Program is designed to provide you with the benefit of a mix between practical experience and theoretical knowledge to assist you in:

- Realising your full potential.
- Acquiring practical experience to assist you in passing your university course.
- Qualifying as a Chartered Accountant.

Cadets normally fall within two categories:

SCHOOL LEAVERS

Successful school leavers are offered a traineeship conditional on completion of the Higher School Certificate and obtaining entry to an approved university and/or a course approved by Chartered Accountants Australia & New Zealand.

UNDERGRADUATES

Existing university students enrolled in an approved course within an approved university.

Cadets are initially placed within the Business Services division where exposure is gained in all facets of accounting, taxation and business services.

What We Offer

Whilst employed as a cadet you will:

- Receive a competitive remuneration package.
- Attend regular training on relevant topics.
- Receive a dedicated mentor to provide career guidance.
- Be reimbursed for costs associated with your university course (excluding HECS).
- Be provided with study leave and support to assist in completing your university studies.
- Whilst attending university on a part-time basis, you will receive leave of half a day per week to attend lectures during the 1st and 2nd years of your course and up to one day per week to attend lectures for the 3rd and subsequent years of your course.
- You will have the opportunity to attend summer school to accelerate the completion of your degree, where you will receive half a day per week per subject to attend lectures.
- You will have the opportunity to attend university full-time in semester 1 of your second year in the program and will be paid an allowance equivalent to Austudy.

BOROUGH'S

We recognise the importance of recruiting and retaining staff of the highest calibre and we are fully dedicated to the professional and personal development of our staff.
